Dear Colleague,

I would like to inform you that the paper Beyond Euclidean: A Conceptual Review of Distance Metrics and Dissimilarity Measures in Contemporary Machine Learning (**Paper Code**: 2026-7284-AJS-MAT) is considered for publication in the **Athens Journal of Sciences**. If you are interested in reviewing it **by 24 July**, we will send you more information on how to proceed.

You are also welcome to contribute to the **Athens Journal of Sciences** with an original research paper (journal publication is cost free). The submission form is available at: https://www.athensjournals.gr/form.

The **AJS** is organizing the **21st Annual International Conference on Mathematics: Teaching, Theory & Applications, 28-30 June & 1-3 July 2027, Athens, Greece.** If you need more information, please let me know, and our administration will send it to you including the conference website and abstract submission form.

My best regards,
Zoe

Dr Zoe Boutsioli Vice President of Publications, Athens Institute
(A World Association of Academics and Researchers)
